Subject: Bedrooms Charter Amendment

Chris:

I hope all is well with you. I still owe you some art work for you to use at Attention Homes, or sell, as you wish. COVID kinda interrupted that intention.

I heard that Attention Homes is considering endorsing the bedrooms city charter amendment. My personal belief is that would hurt both your organization and the young people you serve. I'm happy to discuss, if you'd like. Just give me a shout.

Best,

Bob
